

## Lecture 10. Dutch sociolinguistics

---

### Last time

- Dutch-based creole languages
- Afrikaans

### Aims for today

- exam stuff
- brief review of topics covered
- Dutch sociolinguistics
  - *De Vlaamse zaak*
  - *Poldernederlands*

### Exam stuff

there's something you should keep in mind during an open-book exam

- **DOs**
  - use your own language
- **DON'Ts**
  - don't spend too much time browsing the auxiliary materials, you only have 2 hours

**Overview of topics covered: Do be impressed!**

**Here's more**
